PROJECT DESCRIPTION: The project includes construction along and within SCDOT Right-of-Way and shall adhere to the SCDOT Standard Specifications for Highway Construction, 2007 Edition. The work to be performed under this project will consist of the removal and disposal of existing concrete storm drain and construction of approximately 4,900 linear feet of reinforced concrete pipe. Installation of SCDOT standard catch basins, drop inlets, and manholes are also included in the construction. The Contractor will be responsible for the removal and reconstruction of concrete driveways and sidewalks as well as maintaining utility services throughout construction including relocation if required. The project will require pavement removal along various SCDOT owned roadways and will require pavement reconstruction in addition to traffic control devices throughout the project. The Contractor shall provide sufficient traffic control devices to complete the construction along all roadways. The project includes the construction of a new drainage system along Old Orangeburg Road approximately 450 feet from the Old Orangeburg/US 176 intersection and extends southwest along Old Orangeburg Road approximately 1,650 feet. Construction along Cameron Road (SC33) includes approximately 350 feet of new pipe installation from Dogwood Street to approximately 500 feet west of US 176 where it ties to existing storm drain. New pipe installation is also included along Dogwood Street and within existing easements between SC 33 and Orange Street as well as along 3rd Street and between Pine Street and South Boyce Lawton Drive. The project will consist of traf

fic control, selected clearing & grubbing, placement of Reinforced Concrete pipe, installation of closed drainage system, installation of concrete driveways, grading and paving as more clearly defined in the construction plans and bid documents. Bids received for this project will be for the specific improvements as described in more detail in the plans, special provisions, specifications and bid schedule.

This project is being funded in whole or in part by the Community Development Block Grant Program (CDBG). All federal CDBG requirements will apply to the contract. Bidders on this work will be required to comply with the President's Executive Order No. 11246 & Order No. 11375 which prohibits discrimination in employment regarding race, creed, color, sex, or national origin. Bidders must comply with Title VI of the Civil Rights Act of 1964, the Davis-Bacon Act, the Anti-Kickback Act, the Contract Work Hours and Safety Standards Act, and 40 CFR 33.240.

Bidders must also make positive efforts to use small and minority-owned business and to offer employment, training and contracting opportunities in accordance with Section 3 of the Housing and Urban Development Act of 1968. Attention of bidders is particularly called to the requirements as to conditions of employment to be observed and minimum wage rates to be paid under the contract.

Active registration in the federal System for Award Management (SAM) is required prior to award of any contract under this solicitation. See the website [www.sam.gov](http://www.sam.gov) for registration information.

## SCBO Notices

### VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The links below take you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules.
